- Logout

The screenshot shows a web interface with a background image of a building. In the top right corner, there is a user menu with three options: 'Setting' (highlighted with an orange box), 'Password Change' (with a gear icon), and 'Logout' (with a door icon). An orange curved arrow points from the 'Setting' menu item to a 'Password Change' form. The form has a title 'Password Change' and three input fields: 'New Password' with the placeholder text 'Please Enter 4~8 Pure Numbers', and 'Confirm the New Password' also with the placeholder text 'Please Enter 4~8 Pure Numbers'. At the bottom of the form is a green 'Save' button.

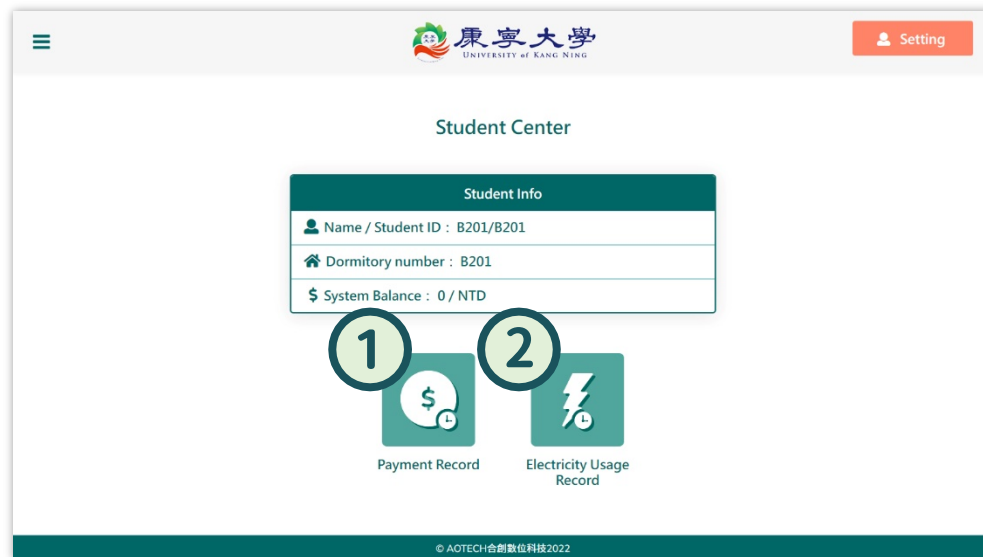

Password Change

- Click "Password Change" to change the password
- After "logging out", the screen will be the home page without logging in.

Customer Service

- "Menu" > "Customer Service"
- You can respond to questions related to the use of the electricity system here, and after receiving it, it will be handled and repaired by a dedicated person.
